▶ Tomlinson Endowment for Professional Development*

Have your tuition paid while completing your professional studies through the Professional Development Program of Morristown Memorial Hospital. The last one to two years of tuition is covered in exchange for your commitment to work for Morristown Memorial upon graduation. The Professional Development Program is funded by Morristown Memorial Health Foundation's Tomlinson Endowment for Professional Development.

Program benefits

- Relief of educational expenses
- Desirable employment at a leading health care facility upon graduation
- Full pay with benefits

Student eligibility

Applicants must:

- Be within two years of completing an Associate's or Bachelor's degree in nursing or allied health field
- Maintain "C" grade in all courses
- Maintain full-time status in professional studies program

Nursing Excellence

Morristown Memorial Hospital has been awarded Magnet Recognition for Nursing Excellence by the American Nurses Credentialing Center (ANCC). The award recognizes our excellence in the management philosophy and practices of nurse services, through programs such as:

- Shared Governance, a professional nurse accountability model in which staff nurses partner with nurse managers and administrators to set policy and practice guidelines.

- The RN PACT Program, or Professional Advancement Clinical Track, which recognizes, rewards, and helps us retain professional bedside nurses who choose to remain in direct patient care.
