

► **Would you trade part of your summer for— hands-on clinical experience— critical thinking skills— and confidence in your future nursing career?**

*You can, if you spend your summer with us. Atlantic Health System invites you to work side-by-side with our team of nurse preceptors for an eight-week paid nursing summer externship.*

*Turn textbook theory into practical hands-on experience through our hospital-based clinical programs, classroom training and weekly seminars that help you gain the specialty experience you need to succeed after graduation. Even better, as a paid extern, you'll earn while you learn.*

*So give yourself the opportunity to have a career without boundaries and apply today.*
