Community Conversations: Providing Care During COVID-19
Dr. Jan Schwarz-Miller, Chief Medical and Academic Officer, Atlantic Health System
Tuesday, April 21, 12:30pm  Facebook: Join Live

On Tuesday, April 21st, at 12:30pm Eastern, join Jan Schwarz-Miller, MD, MPH, Chief Medical and Academic Officer at Atlantic Health System, for a Community Conversation about how Atlantic Health is continuing to care for its patients, protect its team members and plan for the future in the fight against coronavirus.

Dr. Schwarz-Miller is helping lead Atlantic Health System's clinical response to COVID-19 and is nationally recognized for her leadership, including being named to Becker's "100 Hospital and Health System CMOs to Know" (2018 and 2019).
