Thank you to everyone who watched our Facebook Live event about coronavirus with Atlantic Health System President and CEO Brian Gragnola. Brian shared what Atlantic Health is doing to secure the equipment, medications, and therapies needed for patient care and the PPE needed for health care professionals on the front lines battling COVID-19.

If you missed the live event and would like to watch it again or share with others, a recording is now available.

Help us to improve our events by sharing your feedback.

Join Our Next "Community Conversation: How to Avoid Coronavirus"

Join Dr. Jason Kessler, Section Chief of Infectious Disease at Morristown Medical Center, a trusted expert on coronavirus for government officials, community leaders and patients, on Tuesday, April 14, at 12:30pm Eastern. He will be leading a Community Conversation regarding coronavirus (COVID-19), its source, how it spreads, and what you can do to help flatten the curve.

R.S.V.P. for this Event
